A word from our President

Issue No. 18
February 2011

Hello fellow Car Fans

Well here we are into a new year. I trust you all had an enjoyable festive season. As we are now into February our big club event for the year is fast approaching the WOW car show in March. As the car club is 20yrs old this year we want as many members cars on show as possible PLEASE. Also the committee would appreciate a hand to help set up and run the show on the day. Even to help just for an hour over the course of the day. PLEASE. This month we have a very interesting place to visit as part of our monthly run. Beecham Jaguar workshop where they do high end restoration on classic cars. Well worth a visit. In closing please remember the car show in March and attend as we want this to be the best ever. Thank you. **Robert Dodd**—The Cruiser.

Fish n Chips on the Beach!!!

What a day of weather was had on the day of the Fish n Chips on the Beach! A few hardy soles (pardon the pun) turned up at the Fish n Chip shop and ordered their parcels and then headed to a building owned by members Graeme and Ann Bowes. We ate our fish n chips, chatted over a drink then headed home in the pouring rain after a couple of very pleasant hours.

We would like to thank Graeme and Ann for letting us gather in their unit and to the brave ones who turned up—WELL DONE. It just goes to show that rain, hail or shine we still like to gather and enjoy each others company.
